

FREE MEALS FOR EVERY STUDENT IN THE LEWIS COUNTY SCHOOLS

When school begins this year, every single student in the Lewis County Schools will have access to a nutritious breakfast and lunch at no cost to them. There is no need to apply for this program because every student is automatically eligible.

Parents will be asked to complete a Household Information Form that contains information important to the school district.

Nothing will change about lunch or the cafeteria process. Your child will still go through the line and interact with the cashier as usual. Students may purchase additional and ala carte items for sale.

This program is made possible thanks to the USDA's Community Eligibility Provision. If you have any questions regarding this program, contact Tiffany Felty at 606-796-2811.
