Over the course of the school year we will occasionally have parties, dances, etc. for entertainment. GUIDANCE AND COUNSELING

All students will have access to the Guidance Counselor when appropriate. Students should ask permission and set up an appointment. The counselor will be making regular classroom visits as well as encouraging students whenever possible. The counselor will help students that have problems by working with the student or finding an appropriate referral agency if necessary.

LOCKERS

Each student will be assigned a lock and a locker. Students must use the lock provided by the school (free of charge) and only have to pay for it if it is lost (\$3.00). Students have the responsibility to request make-up work from their teachers within a reasonable period of time, (not to exceed the first class meeting upon the return to school). Normally, work should be completed within three days. Students will receive an incomplete for work not done. This will eventually convert to a letter grade equal to the amount of work completed after a reasonable time period.

MEDICATION

If it is necessary for a student to take any medication, whether prescription or over the counter, the student must bring medication, in its original container, to the nurse upon entering the school building, and go to the nurse to take the medicine. The student may take the bottle home each day if necessary. Students MUST have a form filed in the nurse's office. Possession of unapproved prescription drugs is considered possession of drugs and is a disciplinary referral.

No student should be in the hallway during class time without a hall pass from his or her teacher.

PERSONAL PROPERTY

Unfortunately there are people in every school who are dishonest. Therefore, you should not bring anything to school that you couldn't afford to lose such as iPods, iPads, cell phones, CD players, video games, etc. Do not leave money in your locker and never bring large amounts of money to school. Do not leave valuable items or money in the locker rooms. Give such items to your PE teacher for safekeeping. Students finding lost items should turn these in to the office immediately. If you have something lost or stolen, report it to the office immediately.

As a privilege, students may purchase juice drinks after this time with their class. Juice drinks may not be purchased during bus call. Students are free to purchase soft drinks after school is dismissed.

REPORT CARDS/PROGRESS REPORTS

A report card will be given to each student at the end of each nine weeks. Progress reports will be issued mid-way in each grading period. Please contact LCMS if you do not have a password for Infinite Campus. Having a password will give parents access to view attendance and grades throughout the school year.

SIGN IN—SIGN OUT

Students are expected to be in the building by 7:45 a.m. if the student is eating breakfast. If you arrive after 8:05 you must sign in at the office and you are counted as tardy. If you must leave school early, the adult that is picking you up must sign you out. If you are late or need to leave early, you are only excused if we have written parent or doctor notification. **For the safety of our students, no student may be picked up by any person other than his or her parent or guardian without written permission from the parent or guardian for the school to keep on file.**

STUDENT INSURANCE

Limited student insurance is provided. If you are interested in 24-hour coverage, forms will be provided at the beginning of school.

STUDENT SALES

Students are not allowed to sell any material at school without office permission. Violations of this rule will result in your merchandise being confiscated.

STUDENT VACATIONS

Students are discouraged from taking vacations while school is in session. If a student must be absent for an extended period of time, the parent must contact administration two weeks prior to leaving to make arrangements for the absence.

SUBSTITUTE TEACHERS

Substitute teachers have the same authority as the regular classroom teacher and should be given the same courtesy and respect in the performance of their assigned duties.

TARDY TO CLASS POLICY

All classes have 5-minute bells between them. Be on time and in your seat when the tardy bell rings. Violation may result in loss of privileges or detention. The office will deal with repeated violations.

TELEPHONE USAGE

The office phones are to be used by students only in case of an emergency. Forgetting an assignment is not an emergency. In most cases, the office will place the call for the student. Students receiving phone calls will not be called

from class unless it is an emergency situation. In other cases a message will be taken and delivered.

TEXTBOOKS

All textbooks are provided to the student at no charge. It is the student's responsibility to take care of all books assigned to him/her. Students will be responsible to pay for lost or damaged textbooks. Failure to pay for lost or damaged books may result in loss of privileges that may include but not limited to: dances, team rewards/activities, school rewards/activities, and eighth grade send off.

TOBACCO PRODUCTS

Students are not allowed to have tobacco products in their possession or to use them at any time at LCMS. Detention will result from this violation. Repeated offenses may result in suspension and/or court referral.

VANDALISM

Any student marking or damaging school equipment or property in any way will be required to clean the article or to pay for the damage done. Damages should be promptly reported to the office.

VISITORS

All visitors must make reservations and be approved by administration before or when they arrive on the premises. Students are not allowed to bring visitors to school due to class size. All visitors must enter through the front door (facing the AA Highway), and report to the office to sign in and get a visitor's badge.

WEAPONS

Students bringing any type of deadly weapon to school should know that they are committing a felony under Kentucky state law punishable by jail time and a substantial fine. The school board also has the right to expel students found guilty of bringing deadly weapons to school. This may also include chains, fireworks or anything that may be used as a weapon.
