--	---

2024-2025 Phase One: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Lewis County High School is a comprehensive high school with an enrollment of over 660 students. Lewis County High School employs 50 certified staff at Lewis County High School and 16 classified employees to serve the students. The student body at Lewis County High School has the following make-up: 96.4% white, 3.6% other. A Free/Reduced Lunch of 68%. Lewis County High School is located in Vanceburg, KY in northeastern Kentucky. Over the past 4 years we have seen more students moving into the school who are foster kids and this lends itself to a population who is transient and moving frequently.

School Stakeholders

Identify and describe the school's stakeholder groups. How does the school ensure stakeholder involvement and engagement in the improvement planning process?

Lewis County High School Mission Statement- The mission of Lewis County High School is to provide students with the knowledge and skills necessary to become college and/or career ready. Other Beliefs: 1.As a school we set high expectations of all students. 2. ALL students deserve a caring, productive, and effective learning environment. 3. Parental support is essential to student success. 4. We believe in open communication and collaboration with local government leaders, business leaders, community members, professionals, and active parents. 5. Students and staff succeed in a safe environment. LCHS strives to fulfill its mission by providing a wide variety of course selections that range from Dual Credit, Advance Placement courses to Career and Technical Education. Students are also supported through services by special education teachers in both resource classrooms and through collaboration. Additional support for students is Achieve 3000, ACT online prep, IXL Math, ACT tutoring before school, and ESS after school tutoring. This year, school administration will meet with each junior who will take the ACT to set goals for the student. Each junior will have a personal and school goal to attain. Every student is enrolled in a course of study designed to meet the needs of each student. Learners have the opportunity to take courses that challenge them such as Honors, Advanced Placement Courses, Dual Credit Classes. Students who do not meet benchmark on ACT are enrolled in CCR classes to help them reach the needed scores to be successful. Teachers are trained to teach students in Quality Core, Advanced Placement, KCAS/ Kentucky Core Academic Standards, Laying the Foundation, and Transition Course training. Our school also participates with the Advance Kentucky Grant which has increased enrollment in AP class offerings, enrollment and teacher training. Students at LCHS are provided with college

counseling through the guidance office at LCHS plus several college and university staff visit on site to discuss opportunities for students.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs, including the year in which they were last reviewed or revised. Describe how the school embodies its purpose through its program offerings and expectations for students and how stakeholders are involved in its development.

Our writing scores were the best we have had and among the top scores in the area. We still need to improve on ACT in all areas and have a continued focus on doing so.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Test scores have been on the rise the past three years, state scores and ACT scores. The high school had the highest test scores in the area and second highest of all high schools in the 16th region.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Attachment Summary	7

2024-2025 Phase One: School Safety Report

School Safety Report

Pursuant to KRS 158.162, the local board of education shall require the school council or, if none exists, the principal in each school to adopt an emergency plan that must be utilized in case of fire, severe weather, earthquake, or a building lockdown and that: establishes evacuation routes; identifies the best available severe weather zones; develops earthquake protocols for students; and, develops and adheres to practices controlling access to the school building. The emergency plan shall be annually reviewed by the council, principal, and first responders and revised as needed.

In addition to the emergency plan requirements in KRS 158.162, KRS 158.164 requires the local board of education to direct the school council or, if none exists, the principal in each school to establish procedures to perform a building lockdown and to invite local law enforcement to assist in establishing lockdown procedures.

KRS 158.162 also requires the emergency plan be discussed with all school staff prior to the first instructional day of the school year and provided, along with a diagram of the facility, to appropriate first responders. Further, the principal in each school shall conduct, at a minimum, the following emergency response drills within the first 30 instructional days of the school year and again during the month of January: one severe weather drill, one earthquake drill, and one lockdown drill. In addition, required fire drills shall be conducted according to administrative regulations promulgated by the Department of Housing, Buildings and Construction.

Questions Related to the Adoption and Implementation of the Emergency Plan

1. Has the school council or, where applicable, principal adopted an emergency plan in accordance with local board policy and in compliance with the specifications in KRS 158.162(3) and is a copy maintained on file in the school office?

If the answer is "no", please explain in the comment box. Please note that Senate Bill 1 (2019) and Senate Bill 8 (2020) amended KRS 158.162(3)(d) to require, for example, classroom doors remain closed and locked during instructional time (with limited exceptions) as well as classroom doors with windows be equipped with material to quickly cover the window during a building lockdown. Schools are encouraged to comply with these changes as soon as practicable but, if needed, have until July 1, 2022 to fully implement. Accordingly, failure to comply with KRS 158.162(3)(d), as amended, shall be reported for the 2022-2023 school year and each year thereafter.

yes

SBDM meeting

2. Has the school provided local first responders with a copy of the school's emergency plan along with a diagram of the school as required by KRS 158.162(2)(b)?

If the answer is "no", please explain in the comment box.

yes

3. Has the school posted primary and secondary evacuation routes in each room by any doorway used for evacuation as required by KRS 158.162(3)(a)?

If the answer is "no", please explain in the comment box.

yes

4. Has the school posted the location of severe weather safe zones in each room as required by KRS 158.162(3)(b)?

If the answer is "no", please explain in the comment box.

yes

5. Have practices for students to follow during an earthquake been developed as required by KRS 158.162(3)(c) and is a copy maintained on file in the school office?

If the answer is "no", please explain in the comment box.

yes

6. Are practices in place to control access to the school building, including but not limited to controlling outside access to exterior doors during the school day; controlling the main entrance of the school with electronically locking doors, a camera, and an intercom system; controlling access to individual classrooms; requiring classroom doors to remain closed and locked during instructional time (with limited exceptions outlined in statute); requiring classroom doors with windows to be equipped with material to quickly cover the windows during a lockdown; requiring all visitors to report to the front office of the building, provide valid identification, and state the purpose of the visit; and providing a visitor's badge to be visibly displayed on a visitor's outer garment as required by KRS 158.162(3)(d)?

If the answer is "no", please explain in the comment box.

yes

7. Was the school's emergency plan reviewed following the end of the prior school year by the school council, principal, and first responders and revised as needed as required by KRS 158.162(2)(c) and is a copy maintained in the school office?

Please provide the most recent date of review/revision of the school's emergency plan in the comment box. If the answer is "no", please explain in the comment box.

yes

8. Did the principal discuss the emergency plan with **all** school staff prior to the first instructional day of the current school year and appropriately document the time and date of such discussion as required by KRS 158.162(2)(d)?

Please provide the most recent date the school completed this discussion in the comment box. If the answer is "no", please explain in the comment box.

yes

Opening Day Agenda

9. During the first 30 instructional days of the current school year, did the principal conduct at least one severe weather drill, one earthquake drill, and one lockdown drill as required by KRS 158.162(5) and are the drills maintained in the appropriate drill log for the given school year?

If the answer is "no", please explain in the comment box.

yes

10. During the month of January during the prior school year, did the principal conduct at least one severe weather drill, one earthquake drill, and one lockdown drill as required by KRS 158.162(5) and is a copy maintained on file in the school office?

If the answer is "no", please explain in the comment box.
yes we will

11. Over the immediately preceding twelve months, did the principal conduct fire drills in accordance with administrative regulations promulgated by the Department of Housing, Buildings and Construction as required by KRS 158.162(5)?

If the school did NOT meet the requirement, respond "no" and please explain further in the comment box.
yes

2024-2025 Phase One: Continuous Improvement Diagnostic for Schools 3

2024-2025 Phase One: Continuous Improvement Diagnostic for Schools

The **Comprehensive School Improvement Plan or CSIP** is defined as a plan developed by the school council, or successor, and charter schools with the input of parents, faculty, and staff, based on a review of relevant data that includes targets, strategies, activities, and a time schedule to support student achievement and student growth, and to eliminate gaps among groups of students.

The comprehensive school and district improvement plan process is outlined in 703 KAR 5:225. The requirements included in the administrative regulation are key components of the continuous improvement process in Kentucky and ultimately fulfillment of school, district, and state goals under the Kentucky State Plan as required by the Every Student Succeeds Act (ESSA).

While the regulation outlines a timeline for compliance purposes, the plan itself is a strategic and proven approach to improve processes and to ensure students achieve. The timeline for the school's 2024-2025 diagnostics is as follows:

Phase One: August 1 - October 1

- Continuous Improvement Diagnostic for Schools
- School Safety Report
- Executive Summary for Schools

Phase Two: October 1 - November 1

- The Needs Assessment for Schools
- School Assurances

Phase Three: November 1 - January 1

- Comprehensive School Improvement Plan

Phase Four: January 1 - December 31

- Professional Development Plan for Schools (Due May 1)

- Progress Monitoring

As principal of the school, I hereby commit to implementing continuous improvement processes with fidelity to support student achievement and student growth and to eliminate achievement gaps among groups of students. I also assure that the comprehensive school improvement plan is developed by the school council, (where applicable) with the input of parents, faculty, and staff.

I also assure that upon the completion of all diagnostics included in the four improvement phases, the most recent version of the CSIP will be posted to the school's website pursuant to 703 KAR 5:225 Section 3(5)(b).

Please enter your name and date below to certify.

2024-2025 Phase Two: School Assurances 3

2024-2025 Phase Two: School Assurances

Introduction

Assurances are a required component of the improvement planning process (703 KAR 5:225). Please read each assurance carefully and indicate whether your school complies by selecting the appropriate response (Yes, No or N/A). If you wish to provide further information or clarify your response, space for comments is provided. Comments are optional. You may upload any supporting documentation as needed.

Federal Programs

1. If the school receives Title II, Part A funds, the school provides professional development for staff that is in accordance with the purpose of Title II, Part A of ESSA (job-embedded, evidence-based, sustainable, data-driven and classroom-focused); addresses the needs of all students; and, strives to ensure all students are transition ready as intended by Section 2103 of ESSA, which governs the local use of Title II, Part A funding.

☒ Yes

☐ No

☐ N/A

COMMENTS

2. The school ensures that the use of federal funding, including expenditures for certified or classified positions (e.g. counselors, nurses, media specialists, etc.), is reasonable and necessary in compliance with 2 CFR 200.403 and 200.405.

☒ Yes

☐ No

☐ N/A

COMMENTS

Title I Programs

3. The school distributes to parents and family members of participating children in a targeted assistance program, or all children in a schoolwide program, a written parent and family engagement policy, which is agreed on by such parents, and describes the means for carrying out the requirements of ESSA Section 1116 (c) through (f). The school makes the policy available to the local community and updates it periodically to meet the changing needs of parents and the school. For reference, Section 1116(b) of

ESSA allows existing parent and family engagement policies the school may have in place to be amended to meet the requirements under Title I, Part A.

☐ Yes

☐ No

☒ N/A

COMMENTS

4. The school convenes an annual meeting, at a convenient time, to which all parents of participating children in a targeted assistance program, or all children in a schoolwide program, are invited and encouraged to attend, to inform parents of their school's participation in Title I, Part A and to explain the requirements of Title I, Part A, and the right of the parents to be involved, as required under Section 1116(c)(1).

☐ Yes

☐ No

☒ N/A

COMMENTS

5. The school offers a flexible number of meetings to parents, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement (ESSA Section 1116(c)(2)).

☐ Yes

☐ No

☒ N/A

COMMENTS

6. The school involves parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under Title I. This includes the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b). If a school has in place a process for involving parents in the joint planning and design of the school's programs, the school may use that process, if such process includes an adequate representation of parents of participating children (ESSA Section 1116 (c)(3)).

☐ Yes

☐ No

☒ N/A

COMMENTS

7. The school provides parents of participating children in a targeted assistance program, or all children in a schoolwide program—

A. timely information about programs under Title I;

B. a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards; and

C. if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible (ESSA Section 1116(c)(4)).

☐ Yes

☐ No

☒ N/A

COMMENTS

8. The school jointly develops with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The compact meets the requirements outlined in ESSA 1116(d)(1-2).

☐ Yes

☐ No

☒ N/A

COMMENTS

9. The school provides assistance to parents of children served by the school in understanding such topics as the challenging state academic standards, state and local academic assessments, the requirements of Title I, and how to monitor a child's progress and work with educators to improve the achievement of their children, as required by ESSA Section 1116(e)(1).

☐ Yes

☐ No

● N/A

COMMENTS

10. The school provides materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement, as required in ESSA Section 1116(e)(2).

☐ Yes

☐ No

● N/A

COMMENTS

11. The school educates teachers, specialized instructional support personnel, principals, other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school, as required in ESSA Section 1116(e)(3).

☐ Yes

☐ No

● N/A

COMMENTS

12. To the extent feasible and appropriate, the school coordinates and integrates parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children (ESSA Section 1116(e)(4)).

☐ Yes

☐ No

● N/A

COMMENTS

13. The school ensures that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children, or all

children in a schoolwide program, in a format and, to the extent practicable, in a language the parents can understand, as required in ESSA Section 1116(e)(5).

☐ Yes

☐ No

☒ N/A

COMMENTS

14. To the extent practicable, the school provides opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, to the extent practicable, in a language parents understand (ESSA Section 1116(f)).

☐ Yes

☐ No

☒ N/A

COMMENTS

Title I Schoolwide Programs

15. In a schoolwide program, the school developed a comprehensive plan (the Comprehensive School Improvement Plan, or CSIP) during a 1-year period or qualifies for an exception under Section 1114(b)(1) of the Every Student Succeeds Act (ESSA).

☐ Yes

☐ No

☒ N/A

COMMENTS

16. In a schoolwide program, the school developed a comprehensive plan (CSIP) with the involvement of parents and other members of the community to be served as well as individuals who will carry out such plan (e.g. teachers, administrators, classified staff, etc.) as required by Section 1114(b)(2) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

17. In a schoolwide program, the school developed a comprehensive plan (CSIP) that will remain in effect for the duration of the school's participation under Title I, Part A of ESSA as required by Section 1114(b)(3) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

18. In a schoolwide program, the school developed a comprehensive plan (CSIP) that is available to district leadership, parents, and the public and in an understandable and uniform format as required by Section 1114(b)(4) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

19. In a schoolwide program, the school developed a comprehensive plan (CSIP) that, to the extent appropriate and applicable, coordinates with other federal, state, and local programs, including but not limited to the implementation of improvement activities in schools identified for comprehensive or targeted support and improvement, as required by Section 1114(b)(5) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

20. In a schoolwide program, the school developed a comprehensive plan (CSIP) that is based on a comprehensive needs assessment, which included a review of academic achievement data, and includes, among other items, a description of the strategies the school will implement to address school needs as required by Section 1114(b)(6) of ESSA. The comprehensive needs assessment was developed with the participation of individuals who will carry out the schoolwide program plan, and the school documents

how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results, as required by 34 CFR 200.26 (Code of Federal Regulations).

☐ Yes

☐ No

☒ N/A

COMMENTS

21. In a schoolwide program, the school developed, pursuant to Section 1114(b)(7), a comprehensive plan (CSIP) that includes a description of the strategies to be implemented to address school needs, including how such strategies: (1) provide opportunities for all children; (2) use methods and instructional strategies that strengthen the academic program in the school, increase learning time, and provide an enriched and accelerated curriculum; and, (3) address the needs of all children through, for example, the following activities: school-based mental health programs; a tiered model to prevent and address behavioral problems; professional development to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers; and/or, strategies for assisting preschool children transition to local elementary school programs.

☐ Yes

☐ No

☒ N/A

COMMENTS

22. The school regularly monitors the implementation and results achieved by the schoolwide program, using data from the state's annual assessments and other indicators of academic achievement. The school determines whether the schoolwide program has been effective in increasing the achievement of students in meeting the challenging state academic standards, particularly for those students who had been furthest from achieving the standards. The school revises the plan as necessary based on student needs and on the results of the regular monitoring, to ensure continuous improvement of students in the schoolwide program and to ensure that all students are provided opportunities to meet the challenging state academic standards, as required by Section 1114 (b)(3) of ESSA and 34 CFR 200.26.

☐ Yes

☐ No

☒ N/A

COMMENTS

Title I Targeted Assistance School Programs

23. In a targeted assistance school program, participating students are identified in accordance with Section 1115(c) and on the basis of multiple, educationally related, objective criteria.

☐ Yes

☐ No

☒ N/A

COMMENTS

24. In a targeted assistance school program, the school serves participating students using resources under Title I, Part of ESSA to meet challenging state academic standards as required by Section 1115(b)(2)(A) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

25. In a targeted assistance school program, the school serves, pursuant to Section 1115(b)(2)(B) of ESSA, participating students using methods and instructional strategies to strengthen the academic program of the school, which may include, for example, expanded learning time, summer programs, and/or a tiered model to prevent and address behavioral problems.

☐ Yes

☐ No

☒ N/A

COMMENTS

26. In a targeted assistance school program, the school serves participating students by coordinating with and supporting the regular educational program as required by Section 1115(b)(2)(C) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

27. In a targeted assistance school program, the school serves participating students by providing professional development to, for example, teachers, administrators, classified staff, and/or other school personnel who work with participating students as required by Section 1115(b)(2)(D) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

28. In a targeted assistance school program, the school serves, pursuant to Section 1115(b)(2)(E) of ESSA, participating students by implementing strategies to increase the involvement of parents of participating students in accordance with Section 1116 of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

29. In a targeted assistance school program, the school serves participating students, to the extent appropriate and applicable, by coordinating with other federal, state, and local programs, including but not limited to the implementation of improvement activities in schools identified for comprehensive or targeted support and improvement, as required by Section 1115(b)(2)(F) of ESSA.

☐ Yes

☐ No

☒ N/A

COMMENTS

30. In a targeted assistance school program, the school serves participating students by reviewing the progress of participating students on an ongoing basis and revising the targeted assistance program, if necessary, to provide additional assistance to meet challenging state academic standards as required by Section 1115(b)(2)(G) of ESSA.

☐ Yes

Attachment Summary	7

2024-2025 Phase Two: The Needs Assessment for Schools

Understanding Continuous Improvement: The Needs Assessment for Schools

The Needs Assessment Diagnostic will facilitate the use of multiple sources of data to determine the current reality and establish a foundation for decision-making around school goals and strategies. Once completed, the diagnostic will lead to priorities to be addressed in the comprehensive school improvement plan to build staff capacity and increase student achievement. The needs assessment is to be conducted annually as an essential part of the continuous improvement process and precedes the development of strategic goals (i.e. desired state).

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes).

The needs assessment provides the framework for all schools to clearly and honestly identify their most critical areas for improvement that they will address later in the planning process through the development of goals, objectives, strategies and activities. 703 KAR 2:225 requires, as part of continuous improvement planning for schools, each school to complete the needs assessment between October 1 and November 1 of each year and include: (1) a description of the data reviewed and the process used to develop the needs assessment; (2) a review of the previous plan and its implementation to inform development of the new plan; and, (3) perception data gathered from the administration of a valid and reliable measure of teaching and learning conditions.

Protocol

1. Clearly detail the process used for reviewing, analyzing and applying data results as you conducted this year's needs assessment. Include names of school councils, leadership teams and stakeholder groups involved, a timeline of the process, the specific data reviewed, and how the meetings were documented.

Data is reviewed during faculty and department meetings Data is also reviewed during SBDM meeting in October. Kara Johnson, Teacher; Beth Arnold Parent SBDM Member; Ryan Plank, Teacher; Josh Hughes, Teacher SBDM Member and social studies department chair; LeeAnn Kamer, Parent SBDM Member; Jesse Wilburn, Teacher SBDM Member; Ryan Bentley SBDM Teacher member; Scott Tackett-Asst. Principal. Departments meet at least one per month and SBDM meets monthly.

Review of Previous Plan

2. Summarize the implementation of the goals, objectives, strategies and activities from the previous year's Comprehensive School Improvement Plan (CSIP). What was successful? How does it inform this year's plan?

We will need to work with those students who did not graduate in 4 years to ensure that they do get the opportunity to earn a high school diploma in the 5th year. Our ACT scores were below the state average, and we need to work to improve those. Our overall graduation rate dropped due to 7 FMD students graduating and not counting for the school.

Trends

3. Analyzing data trends from the previous two academic years, which academic, cultural and behavioral needs remain significant areas for improvement?

Example of Trends

- The number of behavior referrals increased from 204 in 2022-2023 to 288 in 2023-2024.
- From 2022 to 2024, the school saw an 11% increase in novice scores in reading among students in the achievement gap.

Students this year were given the Achieve 3000 test and those below grade level were placed in an intervention class. This will help with our P/D numbers in ELA and math. 17% of our students were novice in reading and 31% in math. We will focus on these 2 areas for growth.

Current State

4. Describe in narrative form the current state of the school using precise numbers and percentages as revealed by multiple sources of outcome data. Cite the source of data used.

Example of Current Academic State:

- Thirty-four percent (34%) of students in the achievement gap scored proficient on Kentucky Summative Assessment (KSA) in reading. Local benchmark data indicates that thirty-two percent of all students receive Tier II intervention in reading.
- Fifty-four percent of our students scored proficient in math on the KSA compared to the state average of 57%. Local formative assessments show 53% of students are on grade level in math.

Example of Non-Academic Current State:

- Teacher attendance rate was 84% for the 2023-2024 academic year. 2022-2023 Impact survey data shows that 71% of staff feel like they belong at our school.
- Survey results and perception data indicated 62% of the school's teachers received adequate professional development.

Teacher attendance has been higher which resulted in better scores and student success. Our student survey had increases across the board.

Priorities/Concerns

5. Clearly and concisely describe the two or three greatest areas of weakness using precise numbers and percentages.

NOTE: You must thoroughly address these priorities in the Comprehensive School Improvement Plan (CSIP) diagnostic and template.

Example: Students in our gap groups are scoring significantly below all students. Sixty-eight percent of students in the achievement gapscored below proficiency on the Kentucky Summat gap learners.

Our 4 year graduation rate was 92% in 2024 due to 7 FMD students who completed all requirements but count as a 0. We have consistently been in the upper 90s with graduation rates. We had 20% score distinguished in reading and only 9% in math. We will continue to focus of these two areas. Our goal is to reduce the amount of novice by placing lower scoring students in intervention classes for math and reading.

Strengths/Leverages

6. Plainly state, using precise numbers and percentages revealed by current data, the strengths and leverages of the school. Explain how the school will utilize the strengths and leverages to improve areas of concern listed above.

Example: Reading achievement has increased from 37% proficient to its current rate of 58%. The systems of support we implemented for reading can be adapted to address our low performance in math.

Our ACT scores continue to be comparative to the area schools and the state. Our state test scores are in the third in our area out of 18 schools. Our scores increased in all areas except post-secondary and graduation due to the FMD students not counting.

Evaluate the Teaching and Learning Environment

7 . Consider the processes, practices and conditions evident in the teaching and learning environment as identified in the six Key Core Work Processes outlined below:

KCWP 1: Design and Deploy Standards

KCWP 2: Design and Deliver Instruction

KCWP 3: Design and Deliver Assessment Literacy

KCWP 4: Review, Analyze and Apply Data Results

KCWP 5: Design, Align and Deliver Support Processes

KCWP 6: Establish Learning Environment and Culture

Utilizing implementation data, perception data, and current policies and practices:

a. Complete the [Key Elements Template](#).

- b. Upload your completed template in the attachment area directly below.

ATTACHMENTS

Attachment Name

Agenda

8. After analyzing the Key Elements of your teaching and learning environment, which two or three processes, practices or conditions will the school focus its resources and efforts upon in order to produce the desired changes?

Note that all processes, practices and conditions can be linked to the six Key Core Work Processes.

NOTE: The Comprehensive School Improvement Plan (CSIP) diagnostic and template must thoroughly address these.

44% of our student with disabilities scored novice in reading and 56% scored novice in math. We have a focus on those students with study skills classes and intervention classes. Use of Achieve 3000 and Alecks math will contribute to students getting more practice.

2024-2025 Phase Three: Comprehensive School Improvement Plan	3
Attachment Summary	6

2024-2025 Phase Three: Comprehensive School Improvement Plan

Rationale

School improvement efforts are a collaborative process involving multiple stakeholders. During the improvement planning process, leaders focus on priority needs, funding, and closing achievement gaps between identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes).

For those schools operating a Title I Schoolwide Program, this plan meets the requirements of Section 1114 of the Every Student Succeeds Act as well as state requirements under 703 KAR 5:225. **No separate Schoolwide Program Plan is required.**

Operational Definitions

Goal: Long-term three- to five-year targets based on the required school level goals. Elementary/middle schools must have goals for state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, and quality of school climate and safety. High schools must have goals for state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, quality of school climate and safety, postsecondary readiness, and graduation rate. Long-term targets should be informed by the Needs Assessment for Schools.

Objective: Short-term target to be attained by the end of the current academic year. Objectives should address state assessment results and/or aligned formative assessments. There can be multiple objectives for each goal.

Strategy: An approach to systematically address the process, practice, or condition that the school will focus its efforts upon, as identified in the Needs Assessment for Schools, in order to reach its goals or objectives. There can be multiple strategies for each objective. The strategy can be based upon Kentucky's six (6) Key Core Work Processes listed below or another established improvement approach (i.e. *Six Sigma*, *Shipley*, *Baldrige*, etc.).

Key Core Work Processes: A series of processes identified by the Kentucky Department of Education that involve the majority of an organization's workforce and relate to its core competencies. These are the factors that determine an organization's success and help it prioritize areas for growth.

[KCWP 1: Design and Deploy Standards](#)

[KCWP 2: Design and Deliver Instruction](#)

[KCWP 3: Design and Deliver Assessment Literacy](#)
[KCWP 4: Review, Analyze and Apply Data Results](#)
[KCWP 5: Design, Align and Deliver Support](#)
[KCWP 6: Establish Learning Environment and Culture](#)

Activity: Actionable steps used to deploy the chosen strategy. There can be multiple activities for each strategy.

Measure of Success: Criteria that shows how well the school is accomplishing their action steps. The **measures** may be quantitative or qualitative but are observable in some way.

Progress Monitoring: Process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. The description should include the artifacts to be reviewed, specific timelines, and responsible individuals.

Funding: Local, state, or federal funds/grants used to support (or needed to support) the improvement in

Requirements for Building an Improvement Plan

The required goals for elementary/middle schools include the following:

- State Assessment Results in reading and mathematics
- State Assessment Results in science, social studies and writing
- English Learner Progress
- Quality of School Climate and Safety
- Achievement Gap

The required goals for high schools include the following:

- State Assessment Results in reading and mathematics
- State Assessment Results in science, social studies and writing
- English Learner Progress
- Quality of School Climate and Safety
- Postsecondary Readiness (high school only)
- Graduation Rate (high school only)
- Achievement Gap

Using the Comprehensive School Improvement Plan Template

The template is a complement to the Needs Assessment for Schools. Using your determined priorities, you will set both short- and long-term targets and outline the activities intended to produce the desired changes.

a. Develop your Strategic Goals using the [Comprehensive School Improvement Plan \(CSIP\) Template](#).

- b. Upload your completed template in the attachment area directly below.

ATTACHMENTS

Attachment Name

 2024 CSIP

Summarize the plan of action developed through your goal setting process.

Describe which objectives and strategies will be maintained and which will be added or modified to address current needs as outlined in your needs assessment diagnostic, especially those of any identified gap groups.

We will continue to use Alecs math and Achieve 3000 to supplement our reading and math. Both of these programs were use last year but this school year we have added a pullout intervention component to our plan. We will also continue using strategies for ELA that have been used district wide for years.

Comprehensive School Improvement Plan (CSIP)

Rationale

School improvement efforts are a collaborative process involving multiple stakeholders. Through the improvement planning process, leaders focus on priority needs, funding, and closing achievement gaps among identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes). Through the Needs Assessment for Schools, priorities were identified and processes, practices, and/or conditions were chosen for focus. This goal building template will assist your improvement team to address those priorities and outline your targets and the activities intended to produce the desired changes. Progress monitoring details will ensure that your plan is being reviewed regularly to determine the success of each strategy.

Please note that the objectives (short-term targets) set by your school under the Achievement Gap section of this planning template will be used by the district’s superintendent to determine whether or not your school met its targets to reduce the gap in student achievement for any student group for two consecutive years as required by KRS 158.649. Likewise, operational definitions for each required planning component can be found on page 2 of the planning template.

For those schools operating a Title I Schoolwide Program, this plan meets the requirements of Section 1114 of the Every Student Succeeds Act as well as state requirements under 703 KAR 5:225. **No separate Schoolwide Program Plan is required.**

Requirements for Building an Improvement Plan

- The required goals for **elementary/middle schools** include the following:
 - State Assessment Results in reading and mathematics
 - State Assessment Results in science, social studies and writing
 - Achievement Gap
 - English Learner Progress
 - Quality of School Climate and Safety
- The required goals for **high schools** include the following:
 - State Assessment Results in reading and mathematics
 - State Assessment Results in science, social studies and writing
 - Achievement Gap
 - English Learner Progress
 - Quality of School Climate and Safety
 - Postsecondary Readiness
 - Graduation Rate

Alignment to Needs:

Results of the Phase Two needs assessment process should inform the development of the comprehensive school improvement plan. List the identified priorities below to be addressed in order to build staff capacity and increase student achievement.

Priorities/Concerns from Needs Assessment for Schools

List two or three of the greatest areas of weakness identified in question #5 of the Needs Assessment for Schools that will be thoroughly addressed in the strategies and activities outlined in this template.

We scored just ahead of the state in 2023 reading proficient/ distinguished at 50% compared to the state at 46%. Math scores in P/D were 31% for the state and 29%.

Processes, Practices, or Conditions to be Addressed from Key Elements Template

List two or three of the processes, practices, or conditions identified on the School Key Elements Template that the school will focus its resources and efforts upon and thoroughly address in the strategies and activities outlined in this template.

Indicator Scores

List the overall scores of status and change for each indicator.

Indicator	Status	Change
State Assessment Results in reading and mathematics		
State Assessment Results in science, social studies and writing		
English Learner Progress		
Quality of School Climate and Safety		
Postsecondary Readiness (high schools and districts only)		
Graduation Rate (high schools and districts only)		

Explanations/Directions

Goal: Schools should determine long-term goals that are three- to five-year targets for each required school level indicator. Elementary/middle schools must address state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, and quality of school climate and safety. High schools must address state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, quality of school climate and safety, postsecondary readiness, and graduation rate. Long-term goals should be informed by The Needs Assessment for Schools.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Schools should determine short-term objectives to be attained by the end of the current academic year. Objectives should address state assessment results and/or aligned formative assessments. There can be multiple objectives for each goal.	Describe your approach to systematically address a process, practice, or condition that was identified as a priority during the Needs Assessment for Schools. There can be multiple strategies for each objective. The strategy can be based upon Kentucky's six (6) Key Core Work Processes or another established improvement approach (i.e. <i>Six Sigma</i> , <i>Shipley</i> , <i>Baldrige</i> , etc.).	Describe the actionable steps the school will take to deploy the chosen strategy. There can be multiple activities for each strategy.	List the criteria that will gauge the impact of your work. The measures may be quantitative or qualitative but are observable in some way. Consider measures of input as well as outcomes for both staff and students.	Describe the process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. Your description should include the artifacts to be reviewed, specific timelines, and responsible individuals.	List the specific federal, state, or local funding source(s) used to support each improvement initiative. If your school is a recipient of Title I, Part A funds, your CSIP serves as your annual plan and must indicate how Title I funds are utilized to carry out the planned activities.

1: State Assessment Results in Reading and Mathematics

Goal 1 (State your reading and math goal.): The math goal for 24-25 is to decrease the percent of students who score novice from 31% to less than 25%. The reading goal for 24-25 is to decrease the percent of students who score novice from 17% to less than 15%.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Decrease overall novice percent from 31% to less than 25% in math.	Teachers will meet to analyze student work and leaning to determine instructional improvements. Leadership will facilitate the development of assessments. Use of Alecs math will continue.				
		Teachers and administrators will meet monthly in departments to review and analyze assessments and data.	Sign in sheets are kept for each meeting on a word document. -Meeting agendas and minutes are kept on file with sign in sheets	8/29/24-5/29/25	\$0
	All teachers will follow updated pacing guides and document attainment of targeted knowledge and skills.				
		Teachers will develop and update pacing guides and post in their classrooms. Teachers will highlight pacing guides and date them when they have completed a task.	School and district administrators will perform walkthrough observations for curriculum and instructional checks.	8/29/24-5/29/25	\$0
Objective 2 Decrease overall novice percent from 17% to less than 15% in reading.	Teachers meet to analyze student evidence and learning to determine instructional improvements. School leadership will facilitate the development and refinement of valid classroom assessments to assess goals in pacing guides.	Teachers and administrators will meet monthly to review and analyze assessments and data.	Sign in sheets are kept for each meeting on a word document.	8/29/24-5/29/25	\$0
	LCHS will use screeners such as Achieve 3000 regularly each year. Intervention teams will meet to discuss and	State assessment will be administered in spring Three diagnostics will be administered at the beginning, middle, and end of the school year.	Results will be analyzed in October for the spring assessment -diagnostic tests results will be used to help	8/29/24-5/29/25	\$0

Goal 1 (State your reading and math goal.): The math goal for 24-25 is to decrease the percent of students who score novice from 31% to less than 25%. The reading goal for 24-25 is to decrease the percent of students who score novice from 17% to less than 15%.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
	develop plans for addressing student needs.		place students in intervention/enrichment courses		

2: State Assessment Results in Science, Social Studies and Writing

Goal 2 (State your science, social studies, and writing goal.): Increase the percent of students scoring proficient and distinguished in science from 6% in 2024 to 15% in 2025. Decrease the percent of students scoring novice in social studies from 24% to below 20% in 2025. Increase the percent of students scoring proficient and distinguished from 44% in 2024 to 50% in 2025.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Increase the number of students scoring proficient and distinguished in science.	Science teachers meet to analyze student evidence and learning to determine instructional improvements. School leadership will facilitate the development and refinement of valid classroom assessments to assess goals in pacing guides.	Science teachers will work with PIMSER to better align the curriculum with the state standards.	The number of students scoring proficient and distinguished on the spring test.	8/29/24-5/29/25	\$0
Objective 2 Increase the number of students scoring proficient and distinguished in writing.	Teachers meet to analyze student evidence and learning to determine instructional improvements. School leadership will facilitate the development and refinement of valid classroom assessments to assess goals in pacing guides. All teachers will follow updated pacing guides and document attainment of targeted knowledge and skills. Administer writing screening each year. Intervention team will meet to discuss and develop a plan.	ELA teachers will continue to use Angela strategies to increase the understanding of the writing process and strategies.	The number of students scoring proficient and distinguished on the spring test.	8/29/24-5/29/25	\$0

Goal 2 (State your science, social studies, and writing goal.): Increase the percent of students scoring proficient and distinguished in science from 6% in 2024 to 15% in 2025. Decrease the percent of students scoring novice in social studies from 24% to below 20% in 2025. Increase the percent of students scoring proficient and distinguished from 44% in 2024 to 50% in 2025.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding

3: Achievement Gap

KRS 158.649 requires the school-based decision making (SBDM) council, or the principal if no council exists, to set the school's yearly targets for eliminating any achievement gap. The targets should be established with input from parents, faculty, and staff and submitted to the superintendent for consideration and the local board of education for adoption. In addition to being a statutory requirement, intentionally focusing on the achievement gaps that exist among a school’s underserved student populations is also a vital component of the continuous improvement process. Schools should use a variety of measures and analysis when conducting its review of its achievement gaps, including a review of the school’s climate and culture. Schools are not required to establish long term achievement gap goals; however, schools must establish yearly targets (objectives).

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Decrease the number of males scoring novice in math.	Continue the use of Alecs math.	Work with KY Center for Mathematics to develop strategies specific to males.	Fewer males scoring novice on the state math assessment.	8/29/24-5/29/25	\$0
Objective 2 Decrease the number of males scoring novice in reading	LCHS will use screeners such as Achieve 3000 regularly each year.	ELA teachers will continue to use Angela strategies. More reading of interest to males.	Fewer males scoring novice on the state reading test.	8/29/24-5/29/25	\$0
Objective 3 Decrease the number of males scoring novice in on demand writing	Administer writing screening each year.	Continue to use Angela strategies to improve writing understanding.	Fewer males scoring novice on the state assessment.	8/29/24-5/29/25	\$0

4: English Learner Progress

Goal 4 (State your English Learner goal.): NA					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1					
Objective 2					

5: Quality of School Climate and Safety

Goal 5 (State your climate and safety goal.): Increase our index from 58.3 to 70 in 2024.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Continue increase the student feeling of safety.	Continue the Rae of Sunshine initiative.	Have guest speakers to address student issues.	Index on state survey.	08/29/24-05/29/25	\$500 Smile Club
		Do morning motivational quotes, smile box, student of the month, and other positive activities.	Index on state survey	08/29/24-05/29/25	\$0
	Have fulltime SRO	Presence in the building and at sporting events.	Index on state survey	08/29/24-05/29/25	\$0
Objective 2 Increase student comfort and sense of belonging.	Home contact	Have students receive a card home at least 1 time during the school year.	Index on state survey	08/29/24-05/29/25	\$500
	Home contact	Student receive a positive call home 1 time each year.	Index on state survey	08/29/24-05/29/25	\$0

6: Postsecondary Readiness (High School Only)

Goal 6 (State your postsecondary goal.): Our postsecondary readiness indicator was the third highest in the area. We will continue to increase this from a score of 100.2 to 105 for 2023-24.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Increase postsecondary score to 105.	Continue the focus on vocational school areas. Encourage students to earn certification.	Counselors will meet with vocational school students to discuss the significance to them of earning their certifications.	24-25 indicator score	08/29/24-05/29/25	\$0
Objective 2 Increase the availability of dual credit courses for our vocational school students.	Work with MCTC to offer more dual credit courses in business at the vocational school.	Counselors will meet with vocational school students to ensure that the students are taking the dual credit courses and discuss with them how those courses impact their postsecondary school options.	24-25 indicator	08/29/24-05/29/25	\$0

7: Graduation Rate (High School Only)

Goal 7 (State your graduation goal.): Our graduation rate for 2023 was 99%. This will fall due to the number of students that we will have graduating in 2024 who will be meeting all of the state requirements but will earn an alternative diploma.					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1 Increase current graduation rate. Our rate dropped last year due to 7 FMD students not being counted as graduates.	Encourage students to stay in school and graduate.	Meet with students to ensure they are on pace to graduate several times throughout their high school career.	2025 indicator	08/29/24-05/29/25	\$0
Objective 2					

8: Other (Optional)

Goal 8 (State your separate goal.):					
Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
Objective 1					
Objective 2					

Addendum for Schools Identified for Targeted or Comprehensive Support

In accordance with 703 KAR 5:280, a school improvement plan means the plan created by schools identified for targeted support and improvement (TSI) or additional targeted support and improvement (ATSI) pursuant to KRS 160.346(4)-(5) and embedded in the comprehensive school improvement plan required pursuant to 703 KAR 5:225. A turnaround plan means the plan created by schools identified for comprehensive support and improvement (CSI) pursuant to KRS 160.346(8)(g) and embedded in the comprehensive school improvement plan required pursuant to 703 KAR 5:225.

All TSI/ATSI improvement plans and CSI turnaround plans are required to address all components of the comprehensive school improvement plan (CSIP), including all diagnostics associated with the development of that plan, as well as additional specific requirements. The following pages outline specific requirements to be addressed by identified schools that must be embedded in the strategies and activities detailed within the indicator goals developed throughout the previous pages of this goal template. Evidence-based practices and activities chosen to address any goal area or additional requirement must be informed by the Needs Assessment for Schools and feedback from any on-site review conducted by the Kentucky Department of Education (KDE).

Special Considerations for Targeted Support and Improvement (TSI) including Additional Targeted Support and Improvement (ATSI) Schools

TSI schools (including ATSI schools) must embed their subgroup(s) plan for improvement within their CSIPs. TSI stakeholders, including the principal and other school leaders, teachers, and parents, should carefully consider what must be done to ensure the subgroup(s) perform(s) at high levels in the state accountability system. In addition to identifying strategies and activities within the CSIP that address the specific needs of underperforming groups, provide narrative information regarding the additional requirements for TSI schools in the following chart:

Components of Turnaround Leadership Development and Support:
Consider: How will you ensure that school leadership has or develops the skills and disposition to achieve accelerated, meaningful, and sustainable increases in student achievement for underperforming subgroups? Response:
Identification of Critical Resources Inequities:
Consider: Describe the process used to review the allocation and use of resources (people, time, and money), any resource inequities that were identified that may contribute to underperformance, and how identified resource inequities will be addressed. Response:
Additional Actions That Address the Causes of Consistently Underperforming Subgroups of Students
Consider: Describe the process used to review the learning culture related to your targeted subgroup(s) and any additional actions that were determined to address the causes of underperformance. Response:
Targeted Subgroups and Evidence-Based Interventions:
Consider: Identify the areas of need revealed by the analysis of academic and non-academic data that will be addressed through CSIP activities for your targeted subgroup(s). What evidence-based practice(s) will the school incorporate that specifically targets the subgroup(s) achievement that contributed to the TSI identification? How will we monitor the evidence-based practice to ensure it is implemented with fidelity? Response:
Complete the table on the next page to document the evidence that supports the Activities outlined in this plan. Additional rows may be added to accommodate additional pieces of evidence.

TSI/ATSI Evidence-based Practices

The Every Student Succeeds Act (2015) created new expectations for evidence-based decision making at school and district levels. More specific information regarding evidence-based practices (EBP) and requirements can be found on the Kentucky Department of Education’s [Evidence-based Practices website](#). While evidence documentation in the CSIP is only required for schools identified for Targeted Support and Improvement (TSI) including Additional Targeted Support and Improvement (ATSI) and Comprehensive Support and Improvement (CSI), KDE encourages all school leaders to review evidence related to new programs, practices, or interventions being implemented in the school. In addition to documenting the evidence below, TSI, ATSI and CSI schools are expected to upload a description of their evidence review process, the findings of their evidence review, and a discussion of the local implications into the CIP.

Specific directions regarding documentation requirements for each chosen EBP can be found in the “[Compliance Requirements](#)” resource available on KDE’s [Evidence-based Practices website](#). Marking the “Uploaded in CIP” box indicates that you have uploaded required documentation along with this goal template into the platform.

Complete the table below to document the evidence that supports the Activities outlined in this plan. Additional rows may be added to accommodate additional pieces of evidence.

Evidence-based Activity	Evidence Citation	Uploaded in CIP
Train staff to implement inductive teaching strategies.	Hattie, J. (2009). Visible Learning: a synthesis of over 800 meta-analyses relating to achievement. Routledge: New York, NY.	<input checked="" type="checkbox"/>
		<input type="checkbox"/>
		<input type="checkbox"/>
		<input type="checkbox"/>
		<input type="checkbox"/>

Special Considerations for Comprehensive Support and Improvement (CSI) Schools

Schools identified for Comprehensive Support and Improvement (CSI) must complete the CSIP process and meet all applicable deadlines while identified for Comprehensive Support and Improvement (CSI). Following the completion of the school audit, CSI schools must revise their CSIP to account for the improvement priorities identified by the audit team. The newly revised CSIP, referred to as a Turnaround Plan, must include the following items: (1) evidence-based interventions to be utilized to increase student performance and address the critical needs identified in the school audit, (2) a comprehensive list of persons and entities involved in the turnaround efforts and the specific roles each shall play in the school’s turnaround process, and (3) a review of resource inequities, which shall include an analysis of school level budgeting to ensure resources are adequately channeled towards school improvement (703 KAR 5:280). Each of the three aforementioned requirements must be embedded throughout the CSIP document. Once the CSIP has been revised, the turnaround plan must be submitted to the LEA for approval before it is submitted to the Commissioner of Education for final approval.

Provide narrative information regarding the additional requirements for CSI schools in the following chart:

Turnaround Team:
<div><div>Consider:</div><div>Provide a comprehensive list of persons and entities involved in the turnaround efforts and the specific roles each shall play in the school’s turnaround process</div></div> <div><div>Response:</div><div></div></div>
Identification of Critical Resources Inequities:
<div><div>Consider:</div><div>Describe the process used to review the allocation and use of resources (people, time, and money), any resource inequities that were identified that may contribute to underperformance, and how identified resource inequities will be addressed.</div></div> <div><div>Response:</div><div></div></div>

CSI Evidence-based Practices

The Every Student Succeeds Act (2015) created new expectations for evidence-based decision making at school and district levels. More specific information regarding evidence-based practices (EBP) and requirements can be found on the Kentucky Department of Education’s [Evidence-based Practices website](#). While evidence documentation in the CSIP is only required for schools identified for Targeted Support and Improvement (TSI) including Additional Targeted Support and Improvement (ATSI) and Comprehensive Support and Improvement (CSI), KDE encourages all school leaders to review evidence related to new programs, practices, or interventions being implemented in the school. In addition to documenting the evidence below, TSI, ATSI and CSI schools are expected to upload a description of their evidence review process, the findings of their evidence review, and a discussion of the local implications into the Continuous Improvement Platform (CIP).

Specific directions regarding documentation requirements for each chosen EBP can be found in the “[Compliance Requirements](#)” resource available on KDE’s [Evidence-based Practices website](#). Marking the “Uploaded in CIP” box indicates that you have uploaded required documentation along with this goal template into the platform.

Complete the table below to document the evidence that supports the Activities outlined in this plan. Additional rows may be added to accommodate additional pieces of evidence.

Evidence-based Activity	Evidence Citation	Uploaded in CIP
Train staff to implement inductive teaching strategies.	Hattie, J. (2009). Visible Learning: a synthesis of over 800 meta-analyses relating to achievement. Routledge: New York, NY.	<input checked="" type="checkbox"/>
