What you and your student need to know about the Lewis County Middle School Dress Code

2021-2022

Face Coverings

At this time face coverings for health reasons are not mandatory, but may be worn, given that they follow the dress-code guideline for LCMS. If this changes with health-department and CDC recommendations the district will communicate this information with parents and students.

Rationale:

The following guidelines are provided to encourage students to dress and groom themselves in a manner that is in keeping with the academic atmosphere of the school and reflects a respect for others.

In the future, many students will have careers where there are dress code requirements.

Dress Code:

Students at LCMS are expected to be neat and clean. Clothing items that illustrate or advertise alcohol, drugs, tobacco, or contain profanity or objectionable language, violence, gangs or anything offensive in nature is not allowed. Clothing that contains inappropriate double meanings is prohibited.

Any clothing considered inappropriate, disruptive, provocative, revealing, vulgar, offensive, or distracting will not be allowed.

Infractions of Dress Code

Students who do not follow the dress code may be asked to change, if they have appropriate clothing or borrow clothes from the Youth Service Center. Parents/guardians may be asked to bring clothing. Multiple infractions could lead to disciplinary action.

Appropriate Length

Skirts, skorts, shorts, dresses and tops should be of an appropriate length. This means that the skirts, skorts, shorts, and dresses must extend beyond the student's fingertips when the student is standing with his or her hands placed at his or her side.

Inappropriate Length
