Fax 606-796-6255

Dear Parent or Guardian,

The Lewis County School District has set up our new app, Stopfinder, that will assist us in communicating better with parents & guardians about School Transportation. Stopfinder is an easy-to-use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere.

Your email address that is currently on file with the district in Infinite Campus will be used for Stopfinder setup. If you do not have a current email address in Infinite Campus and would like to have access to the Stopfinder app, please log in to Infinite Campus Parent Portal and enter the email address you want the program to use. Or please contact Kim Wallingford at the Board of Education or your child's school of attendance to make a change to your primary email address.

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your student's transportation schedule. Please look out for a Stopfinder invitation, which has already been sent to your primary email address.

What the App Can Do

- View your student's daily transportation assignments – including transfer trips and stops.
- Securely share your student's schedule with caregivers
- Receive notifications and updates related to transportation.
- Send Estimated Time of Arrival notifications based on your student's stop.

Install the App

- The Stopfinder app is available for download in the App Store as well as Google Play

Access Student Schedules

Access to student schedules is granted only to the student's designated contacts by the Transportation Department. The Stopfinder contacts, at their own discretion, may share their student's schedule with caregivers (sub-subscribers.) An invitation to activate your Stopfinder account has been sent to your current email.
